**Revision** : 1.0

## DOCUMENT REVISION HISTORY

Revision No	Revision Date	By	Description of Changes
1.0	29/07/2024	Najmi	First Version of User Manual – Limit PR

# Scenario

The storekeeper wants to see the limit set to approve the PR that has been raised. In this syllabus, we will guide on how to see the limit for PR in CMMS Web Core.

## 1. Limit PR

### Check the PR Limit

1.1 On the left of the system, click on **Procurement > PR Approval**.

Figure 1.1

1.2 Click on the **Limit** button to see the limit of the user.

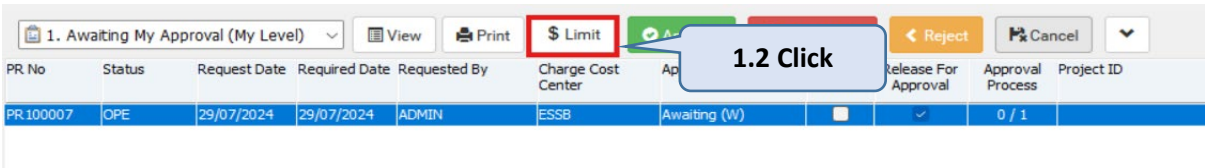

Figure 1.2

1.3 The PR Approval Limit for the user will be shown. Click **OK** to return to the PR Approval page.
